ABOUT

AT REWRITE, I CUT THROUGH THE FLUFF TO GIVE YOU A SLICK AND PROFESSIONAL CV THAT WILL HELP BOOST YOUR JOB SEARCH.

Unlike my competitors, when you send me your CV or profile, I don't simply polish it up and throw it back to you. I reinvent, reimagine and revive your content, and package it up with high quality marketing and recruitment advice. Add that to the knowledge that you've got me in your back pocket for the next 12 months, and there's no reason for you not to chase your dream role!

**YOU'VE ALREADY GOT YOUR OWN IDENTITY,
I JUST HELP YOU TO EMBRACE IT.**

WOW!

WHY?

WHY CHOOSE REWRITE TO HELP IN YOUR JOB HUNT?

If the job summary is screaming your name, the essential experience makes you the perfect fit, and you're already daydreaming about meeting your new colleagues, there's only one problem...

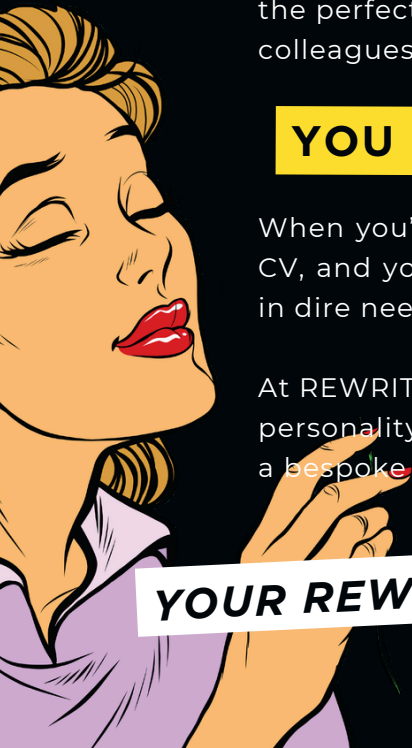

YOU NEED TO GET NOTICED.

When you've listened to everyone in your network about the 'best way' to write a CV, and you're left with a mangled document that's pushy and overbearing - and in dire need of some TLC - it can be tricky to know where to turn.

At REWRITE I listen, I engage, and I create a CV that becomes an extension of your personality. Genuine, humble, but straight talking and to the point, I will compose a bespoke CV that ticks all the right boxes, and won't be left unread.

YOUR REWRITE CV WILL BE YOUR NEW BEST FRIEND.

“

AT REWRITE I NAVIGATE
THE CONFUSING WORLD OF
RECRUITMENT TO LEAVE
YOU WITH A CV THAT IS
HONED, SHARP AND

UNFORGETTABLE.

TIRED OF REJECTION?

**FED UP OF WAITING FOR EMAILS THAT NEVER ARRIVE?
DESPERATE FOR JUST ONE PIECE OF FEEDBACK THAT
TELLS YOU WHERE YOU'VE BEEN GOING WRONG?**

I know the job market is tough. In a raging battle for who can shout the loudest, it can be exhausting and deflating. When you've got everything listed for the job, why aren't you being interviewed? What are you forgetting?

Ultimately, prospective employers only know what you tell them. Even though you think you've given them everything you've got, there's always more to give,

**AND I CAN HELP YOU ARTICULATE
EXACTLY WHAT'S MISSING**

READY TO
CHANGE

THE FAC3 OF

YOUR FUTURE?

WHY IS A REWRITE CV DIFFERENT?

CV'S ARE LIVING, DIGITAL RESUMES, AND YOU NEED KEYWORDS THAT RESONATE WITH THE **ROLE YOU WANT.**

At REWRITE, I provide the best orthography on the market. High impact and high value words that are designed to catch the eye of skim readers, and ensure your CV has the best chance to be seen.

Application tracking systems aren't a match either. I use top level knowledge to include the search terms I know will get recognised by a bot. By re-working your experiences, I can create a CV that will

MAXIMISE YOUR CHANCE OF SELECTION.
